VDE Series 400 **ERGONIC**

looking for innovations?

AC 1000V
 IEC 609000 : 2004

Details **Product**

Series 413 Ergonic (VDE) 6-pcs. screwdriverset containing Slot- and Phillips-screwdrivers and a main testing screwdriver [Info ▲]

Screwdriver for electricians fully conforming to DIN EN 60900, every screwdriver individually tested to 10.000 Volts.

Fits all! Stronger, adaptable and truly ergonomic:
 Ergonic is the first handle that adapts to the users hand.

Hand and handle interlock - causing less strain and work fatigue, allowing higher maximum torque.
 Full length, impact proof handle core is coated with pleasant soft-grip outer material, hanging hole for easy storage or inserting lever, anti-roll handle design.
 Blades manufactured from chrome-molybdenum-vanadium steel, superior torque which exceeds DIN and ISO requirements by up to 100%, black tip for precision fit

15 years warranty
 GS tested for safety
